Disclaimer of Liability

Participants are entirely responsible for their own safety, whether afloat or ashore, and nothing reduces this responsibility. It is for participants to decide whether their equipment is fit to sail in the conditions in which it will find itself. By launching, participants confirm their equipment is fit for those conditions and they are competent to sail in them.

Nothing done by the organisers can reduce the responsibility of the owners and/or participants, nor will it make the organisers responsible for any loss, damage, death or injury, however it may have occurred, as a result of taking part in this event. The organisers encompass everyone helping to run the event. The provision of patrol boats does not relieve owners and participants of their responsibilities. I understand that the UK RS:X Class cannot accept liability for any injury, loss or damage sustained whilst taking part in these activities.
